HELLO!

The Institute of Education of the National Research University "Higher School of Economics" together with the Russian Public Foundation conduct a survey as part of a panel study "Trajectories in education and careers".

You have already participated in our study - in the past year and / or when you were in school. We ask you to take part in the next wave of research.

The purpose of the study is to find out how you evaluate what is happening now in your life and what are your plans for the future.

There are no correct or incorrect answers in the questionnaire. They will be analyzed together with the answers of other survey participants in a generalized form and without your personal and contact information.

Thank you in advance for your cooperation!

Instructions for completing the questionnaire

1. Carefully read each question and all answers.
2. Circle the number of the answer that closely matches your opinion, or enter your answer in the space provided for this purpose.
