HELLO!

Institute of Education of the National Research University «Higher School of Economics» together with the Public Opinion Foundation Institute are conducting a survey as part of the panel study «Trajectories in education and profession». You already took part in our research last year and / or when you were in school. We ask you to participate in the next wave of research.

The main aim of the research is to find out more about your perception of current events in your life and your plans for the future.

There are no right or wrong answers to the questionnaire. It will be summarized with the answers of other participants and analyzed without specifying your personal and contact information.

Thank you in advance for your cooperation!

Q550 Enter your ID.

(This is the five-digit number that, together with the reference to the survey, was sent to you by the interviewer. In case you have any doubts, clarify it with the interviewer.)

Q551 Did you take part in this survey last year (August–October 2020)? (One answer.)
