QUESTIONNAIRE OF GRADUATING STUDENT OF EDUCATIONAL INSTITUTION

HELLO!

Social Opinion Fund and National research university «Higher School of Economics» by request of Russian federation government conduct all Russian survey of educational and working trajectories of graduating students of educational institutions. The purpose of this survey is to learn how you assess changes in your life and what your plans are.

Answers for questions are not wrong or right. Your answers should reflect what is right personally for you. Your answers will not be shown to anybody in your educational institution or family. They will be analyzed with answers of other schoolchildren in generalized view and without specifying your personal and contact information.

In order to make received information more reliable and useful, our study will be carried out over several years. Results of the study will help to improve the learning process and create a more efficient system of graduating students' employment.

Thank you in advance for cooperation!

Instructions for completing the questionnaire
