Survey method

- 1 – personal interview
- 2 – self-completion in the presence of the interviewer
- 3 – self-completion without an interviewer
- 4 – telephone interview
- 5 – online interview

HELLO!

Institute of Education of the National Research University «Higher School of Economics» together with the Public Opinion Foundation Institute are conducting a survey as part of the panel study «Trajectories in education and profession».

You already took part in our research last year and / or when you were in school. We ask you to participate in the next wave of research.

The main aim of the research is to find out more about your perception of current events in your life and your plans for the future.

There are no right or wrong answers to the questionnaire. It will be summarized with the answers of other participants and analyzed without specifying your personal and contact information.

Thank you in advance for your cooperation!

Enter your ID.

(This is the five-digit number that, together with the reference to the survey, was sent to you by the interviewer. In case you have any doubts, clarify it with the interviewer.)

Sex:

- 1. male
- 2. female

1. Do you study anywhere now? If you do, then in what type of educational institution? *(If you are already officially enrolled or on academic leave, choose from categories 2-4. If you are only applying, choose category 5. If you study in several places / programs, answer about the educational institution that you consider the main one.)*

1. I am not studying anywhere -- go to the question №13

The others move on to question №13.

We want you to tell us about your education. If you currently have several places of study (several direction of preparation), answer about the educational institution you consider the main one.

3. Current grade (year of education). *(If your studies haven't started yet, choose the course you will be studying in the 2020-2021 academic year. Choose one answer.)*

1. 1st year
2. 2nd year
3. 3rd year
4. 4th year
5. 5th year
6. 6th year

4-6. Where is this educational institution located?

4. Country of educational institution:

1. Russia
2. another country *(specify which one)*

5. Region of educational institution:

Drop-down list

6. City (or village):

7. Full name of educational institution:

Drop-down list + an open field for those who haven't found or are studying in a secondary school

8-9. What faculty and specialty (direction of preparation / profession) do you study at?

8. Faculty:

9. Specialty (direction of preparation / profession):

10. Do you study on a commercial (paid) or budget (free) basis or on employer sponsorship? *(Choose one answer.)*

1. on commercial (paid)
2. on budget (free)
3. employer sponsorship
4. other *(specify what exactly)* _____
5. difficult to answer

11. At what form of education do you study at this educational institution? *(Choose one answer.)*

1. full-time (day)
2. full-time / part-time (evening)
3. part-time
4. remote (through the Internet)
5. difficult to answer

12. Do you study anywhere else besides the main place of education? If so, on what program do you study? *(Choose all suitable answers.)*

If categories 1,10 are chosen, the selection of other categories will be blocked

1. I do not study in addition to the main place of study
2. bachelor program (higher education, 4-5 years of study at the university)
3. specialty (higher education, 5 years of study at a university)
4. master degree
5. PhD/doctoral program
6. clinical residency (for medical students)
7. secondary vocational education program (training of skilled workers and employees, for example, in the occupations of plumber, roofer, fender, fireman, etc.)
8. secondary vocational education program (training of mid-level specialists, for example, in the specialties of «computer networks», «radio communication», «fire safety», «nursing», etc.)
9. other *(specify what exactly)* _____
10. difficult to answer

13. What is your completed level of education? *(Choose one answer.)*

1. 9 grades
2. 11 grades
3. secondary vocational education
4. bachelor degree
5. specialist degree
6. master degree
7. other *(specify what exactly)* _____

14. Do you plan to study somewhere else (after or in parallel with the current education)? If so, where? (Choose all suitable answers.)

If categories 11,12 are chosen, the selection of other categories will be blocked

1. higher education, bachelor / specialist degree
2. higher education, master degree
3. higher education (not sure whether it will be bachelor, specialist or master degree)
4. PhD / doctoral program
5. secondary vocational education (technical school, vocational college, vocational lyceum)
6. clinical residency (for medical students)
7. occupational retraining programme
8. refresher course
9. other courses (offline or online)

12. other (*specify what exactly*) _____
13. nothing can impede me
14. difficult to answer

We hope that in the future we will be able to contact you again to answer our questionnaire. For this purpose, we ask you to share contact information that will help us find you. We guarantee the confidentiality of your data.

In order for us to be able to contact you for the next survey as part of this research, please write your contacts: last name, first name, patronymic, phone number, email address, social media accounts.

96. Full name

97. Phone number

Enter the phone number, starting with the code, without "8" or "+7". Please check your phone number carefully before proceeding to the next question.

98. E-mail

99. Who and how can we contact to invite you to participate in next stages of research, if you change your phone number and email address?

We also want to collect publicly available information from your accounts: interests, subscriptions, posts, reposts, etc. This data will supplement the survey data and will be used exclusively for research purposes. Links to your accounts will not be published anywhere. Only some researchers of the Higher School of Economics and the Public Opinion Foundation Institute will have access to your depersonalized (anonymous) data from social networks to contact you for future researches. This data will not be available to any external researchers or other persons. If you do not want to provide this information or you do not have accounts in these social networks, leave these fields blank.

100. Vkontakte (vk.com):

101. Instagram (instagram.com):

We ask you to give to the Public Opinion Foundation Institute and the Institute of Education of the Higher School of Economics for scientific purposes, namely for the panel study «Trajectories in education and professions», your consent to the processing of personal data from your questionnaire related exclusively to the following categories.

Categories of personal data: last name, first name, patronymic; address; contact phone numbers; e-mail address; information from questionnaires or interviews received as part of this study; open information on personal pages in social networks.

The consent will be kept separately from the questionnaire data. The period of validity of your consent is 15 years. You can withdraw your consent at any time by sending an email to the Institute of Education of HSE: ioe@hse.ru

1. Yes, I agree
2. No, I don't agree

Thank you for participating in our research!
